

A man and a woman are standing in a warehouse, looking at a clipboard held by the man. The man is wearing glasses and a dark blue jacket, and the woman is wearing a dark blue puffer jacket. They are both looking towards the right side of the frame. The background shows high industrial shelving units filled with blue pallets, typical of a warehouse or distribution center. The lighting is bright and even.

SKILLED WORKFORCE | OUR SERVICE PACKAGE

Qualification – Professional Training – Work-Life Balance

For your success in Brandenburg.

YOUR COMPANY NEEDS QUALIFIED STAFF? WE'LL SUPPORT YOU.

Are you looking for personnel and qualified specialists? Are you interested in boosting your staff's qualifications or aiming to improve the compatibility of work and family life in your company? Then we are exactly the right partner for you. The Economic Development Agency Brandenburg (WFBB) is the central point of contact for your company in Brandenburg. Our WFBB Labour division has four specialised teams providing extensive information and consulting services. Our experts will be delighted to assist you – with services tailored to you, free of charge and with complete confidentiality.

Are you looking for skilled workers and other staff? We'll help you find them.

The Brandenburg skilled workforce portal at www.fachkraefteportal-brandenburg.de offers you to announce open jobs and internships – free of charge – and present your company as an attractive employer (in German). It pays dividends: every month over 14,000 prospective employees from Germany and abroad visit the workforce portal.

Are you particularly interested in academic trainees? At our skilled workforce portal you will find suitable graduates from the Berlin and Brandenburg universities.

Do you want to employ qualified soldiers after their military service? We can assist you in recruiting specialist and managerial staff from the German *Bundeswehr*. The WFBB works closely together with the armed forces' vocational training service (*Berufsförderungsdienst der Bundeswehr, or BFD*). Please contact our experts at the *department of staff deployment* to place current job ads, present yourself as a potential employer, speak to prospective employees and learn about funding opportunities offered by the BFD.

Do you think staff qualifications are important? So do we.

We provide general information about career development for specialist and managerial staff, learning strategies, quality characteristics and the value of degrees (www.weiterbildung-brandenburg.de). We also provide individualised assistance toward the achievement of your company's qualification objectives.

We'll help you find the ideal educational and training programmes and providers: our search portal www.wdb-suchportal.de features (in German) some 30,000 regional educational offerings from all industries and professions. The portal is also available as an app. As an educational service provider in the capital region, you can use the WDB portal to present your own services – free of charge.

Brandenburg promotes workforce development and qualification in your company through a wide range of support opportunities. We are delighted to speak with you personally about all the options.

Does your company want to become more family-friendly? We'll offer professional advice.

Family-friendly company policies pay dividends. We provide individual advice and assistance concerning work-life balance (www.arbeitswelt-elternzeit.de).

We'll support you in the planning and organisation of more family-friendly concepts, such as flexible working hours and places.

We'll support you in bridging family-related staffing gaps and finding qualified replacement staff.

We'll inform you about opportunities for company-supported child care and tell you about tax breaks for introducing family-friendly measures.

Do you want to give people an opportunity for integration into the labour market and thereby tap an additional pool of potential employees? We'll support you!

We'll inform you about the current labour market programmes of the state of Brandenburg.

We establish contact to projects and project sponsors that can help you acquire staff and establish and cultivate social partnership within your company. More information about the topics of "integration into work" is available at www.wfbb.de/en

Are you looking for information about the labour market in which you operate? You can find it here.

In the Brandenburg skilled workforce information system www.fis-brandenburg.de, we provide statistics and specific evaluations broken down by region, cluster, industry and profession (in German). This enables you to get an idea of the regional labour market situation and the specific skilled workforce situation.
