Doing Business in Indonesia: Trends and Opportunities for German enterprises despite CoVid-19

For the last 20 years Indonesia has been one of the fastest growing economies worldwide. Now, Covid-19 is bringing challenges to cope with for the 270 million inhabitants. However, new laws and regulations help to make it easier for foreign companies to import to the huge market. Join us and learn more about business opportunities and challenges in Indonesia:

November 27th 2020 (Fr) 9:00 – 11:30 AM (CET)
